ST. MARTIN MIDDLE SCHOOL

DEDICATION 2000-2001.....

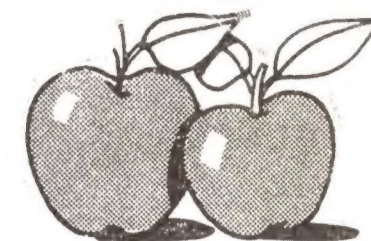

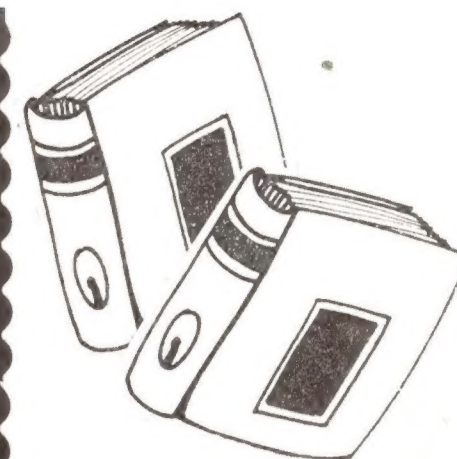

MRS. SANDRA WEAVER

Ms. Sandra Weaver has taught at St. Martin for twenty years. She has been part of the St. Martin East Elementary, St. Martin Upper Elementary, and St. Martin Middle School staff. She has a Master's Degree in Education from William Carey College, Gulfport, Mississippi, and a Bachelor of Science Degree in Elementary Education from Goshen College, Goshen, Indiana. Ms. Weaver is a member of the Mississippi Professional Educators and the Mississippi Science Teacher's Association. She has been a co-sponsor of the Language Arts Club for the last two years. Ms. Weaver has taught many subjects areas, but the nearest and dearest to her heart is the subject of Science.

She is the wife of Charlie Weaver, the proud mother of two sons, and the grandmother to two precious granddaughters. Although raised in Michigan, she has adapted quite well to her southern environment. Her birthday is June 5, ????, and her favorite places to travel are the Caribbean and the Ozark Mountains. She enjoys drinking all flavors of coffee, and Mexican food is her menu of choice.

Ms. Weaver will be retiring this year. She has plans to travel, spend time with her granddaughters, and simply enjoy life, family, and friends. We will miss her warm and gracious personality immensely. She has touched many lives while at St. Martin. We dedicate this yearbook in honor of her hard work and compassion to her choice of profession- **"Education."**

MRS. MARGO FAWCETT

Ms. Margo Fawcett has been part of the St. Martin School system for twenty-two years. She has been a teacher at St. Martin Junior High and St. Martin Middle School. Ms. Fawcett has attended Fitchburg State College and the University of Southern Mississippi. She currently holds a Master's Degree and is a member of the Mississippi Reading Association.

She has been a Reading teacher for many years as this is her favorite subject to teach. Ms. Fawcett is proud to display this fact. You can find her car easily in the faculty parking lot as her car will be the one that has a personalized tag with the word "READN" printed on it.

Ms. Fawcett's birthday is August 13th. She was raised in Massachusetts, and this is her favorite place to travel. After retiring, she plans to reside here on the Gulf Coast and enjoy some time with her children and grandchildren. We wish Ms. Fawcett many restful days enjoying her favorite Agatha Christie book and spending time with her husband Ed and their border collie. Of course, we will miss visiting with her each morning and sharing her favorite lunchtime meal of cereal or tuna.

We dedicate this yearbook in honor of her commitment to her students and the promotion of excellence in education for so many years. Although she will be leaving our faculty this year, a part of her will be remembered in the writing and publication of this acknowledgment. As a Reading teacher, this is a fitting tribute to one who has made the printed word such an important part of her life as well as the lives of others.
